Worship
9:15am (traditional)
10:45am (contemporary)

This Sunday we'll continue our study on some of the common beliefs within cultural Christianity that don't quite line up with Scripture.

Life can be tough. It's filled with hard decisions and tough choices that tug at us, tossing us to and fro on the direction we should take. But in the face of such uncertainty, there's good news. Just follow your heart. That's right, just do what you feel is right. Let your heart guide you and everything will turn out alright.

Does that sound right to you? Some hear that advice and immediately see red flags. For others, it's a life principle that seems harmless enough to try. But what's the truth? And what's the dangers of doing what seems right in your heart? Be with us this Sunday as Pastor Buddy shares from God's Word on the dangers of letting feelings guide you.

Join in-person or online ([at fbctrussville.org/live](https://fbctrussville.org/live)) or in-person at 9:15 or 10:45am for *Truth Be Told*, a Biblical look at some seemingly harmless but false notions in cultural Christianity.

Galatians 3

Notes From Our Video

Rivers, ponds, lakes and streams - they all have different names, but they all contain water. Just as religions do - they all contain truths.

Muhammad Ali

Most _____ work by making sure the good out weighs the bad.

Paul writes to the churches in the region of Galatia to make it clear it that they are free from trying to _____. It is not keeping the _____. IT IS _____ IN JESUS.

Judaizers were telling the people that JESUS was good but He wasn't good enough to please God.

JESUS + _____ = righteousness

Religion puts the emphasis on the _____.

Paul is frustrated because they are trying to _____ out of their own strength. In the process they are _____ the Gospel of grace with people pleasing.

People pleasing is a _____.

The nature of the gospel frees us from _____, from being held prisoner by what people think of us. We can't be _____ before God on our own. Only _____ can do that.

God's blessing to us comes _____ in Christ.

Jesus is _____ you need.

The Gospel of God's promise is _____ by the Holy Spirit _____ by faith and frees us from _____ and from the _____.

If keeping the law would have been able _____, the death of JESUS would have been _____.

The good news of the Gospel is that our hope is not in the good _____ the bad. Our hope is _____.

Notes From Jeff

In Galatians 3, we see the progression of God's saving work in history through three _____.

Covenant 1::Promise to Abraham (1-14)

- Because of HIS _____, God _____ His people.
- Because of _____, God's people _____ His blessing.

Covenant 2::The Law of Moses (15-21)

- We all _____ the law of God.
- We all _____ God's wrath.

Covenant 3::Salvation through Jesus (22-24)

- Jesus _____ the law given to Moses.
- Jesus _____ the promise to Abraham.

²⁴ Let me put it another way. The law was our guardian until Christ came; it protected us until we could be made right with God through faith. ²⁵ And now that the way of faith has come, we no longer need the law as our guardian. ²⁶ For you are all children of God through faith in Christ Jesus. ²⁷ And all who have been united with Christ in baptism have put on Christ, like putting on new clothes. ²⁸ There is no longer Jew or Gentile, slave or free, male and female. For you are all one in Christ Jesus. ²⁹ And now that you belong to Christ, you are the true children of Abraham. You are His heirs, and God's promise to Abraham belongs to you. Galatians 3:24-29 (NLT)

We respond to the Gospel by putting our faith in the _____ and _____ of JESUS CHRIST—nothing _____, nothing _____.
