Summer 2026

FBCT MISSIONS

"Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up."
Galatians 6:9

Growing Through Service

Summer is a busy season, and it's a great time to look for ways to serve those around us. Whether you're helping at church, volunteering in the community, or simply showing kindness to someone who needs encouragement, God can use every act of love for His glory. As we serve together, let's not grow tired of doing good. The seeds we plant today can have an impact far beyond what we can see, and God is faithful to use them in His perfect time.

YMCA Summer Lunch Program

Our church family continues to serve each Wednesday through the YMCA Summer Lunch Program in the Chalkville community. Each week, we help provide lunch for around 50 children who may not have reliable meals while school is out. Along with sharing a meal, we spend time playing games, making crafts, building relationships, and sharing the love of Jesus with every child. This outreach reminds us that meeting physical needs opens the door to sharing the hope of Christ. We are thankful for the volunteers who faithfully give their time each week to love, encourage, and invest in the lives of these children.

MS DELTA

“Tell to the coming generation the glorious deeds of the Lord, and his might, and the wonders that he has done.” – Psalm 78:4

Sometimes the most meaningful ministry happens in the simple moments– sharing a conversation, playing a game, teaching a Bible lesson, or letting someone know they are loved by God. Our team recently had the opportunity to serve in the Mississippi Delta and invest in the lives of children, students, and families through hands-on ministry.

We partnered with Calvary Chapel in Drew, Mississippi, and Faith Church in Charleston, Mississippi, where we led Vacation Bible School, Youth Bible Club, recreation, and sports activities. It was a joy to spend time with these communities, build relationships, and share the love of Christ with those we served.

We are grateful for everyone who prayed for our team and supported this mission trip. God blessed us with the opportunity to serve, and we were reminded once again of the impact that can happen when we invest in the next generation and serve with willing hearts.

MEN ON MISSION
TRUSSVILLE, AL

From June 10–20, our FBC Trussville Men on Mission team traveled to Calvary Baptist Church in Marshall, Missouri, to help build a new 22,000-square-foot worship facility. During the week, 104 volunteers from 21 churches in eight states worked side by side, bringing the building close to completion.

Men on Mission began in 1983, and for more than 40 years these volunteers have traveled across the country serving churches through construction projects like this one. It's amazing to see what God can accomplish in just one week when so many people come together with willing hands and servant hearts.
